ANUP SHARMA

React Native Developer
Mohali, India | +91 7807924149 | anupsharma12koa@gmail.com

PROFESSIONAL SUMMARY

Experienced React Native Developer with a strong track record of building scalable, high-performance cross-platform mobile applications for Android and iOS. Skilled across state management, API integration, Firebase services, and clean mobile architecture, with hands-on experience delivering apps across fintech, e-commerce, healthcare, logistics, and gaming domains.

SKILLS

React Native, JavaScript, TypeScript, Redux, Firebase, SQLite, REST API Integration, Express.js, Next.js, Node.js, Git

EXPERIENCE

React Native Developer | Clikzop Innovation

Mar 5, 2026 – Present

- Developed and maintained cross-platform React Native applications for business and e-commerce workflows.
- Integrated REST APIs, authentication, state management, and backend services to deliver reliable mobile features.
- Collaborated with development teams to implement responsive UI, troubleshoot issues, and improve application performance.

React Native Developer | Freelance

Dec 2024 – Feb 20, 2026

- Designed and developed multiple mobile apps end-to-end for varied client requirements.
- Implemented Redux for state management and integrated Firebase services (Auth, Firestore, Notifications).
- Built secure payment flows and responsive, high-performance interfaces across Android and iOS.

React Native Developer | Codetribe Solution Pvt. Ltd., Mohali

Apr 2024 – Nov 2024

- Developed reusable, well-structured React Native components to accelerate feature delivery.
- Integrated Firebase services to support authentication and real-time data needs.
- Improved API performance and reliability across core application modules.

EDUCATION

B.Tech in Computer Science — Surya World College, Punjab

PROJECT HIGHLIGHTS
